RE: **Omar De Jesus Villa-Alvarez**
Docket No.: 02-00571-001
Request for Early Discharge from Supervision

Dear Judge Bassler:

On November 18, 2002, the above captioned offender was sentenced by Your Honor to 37 months imprisonment followed by four years of supervised release for the offense of Importation of More Than 100 Grams of Heroin.

On January 20, 2004, the offender was released from the Bureau of Prisons to the Southern District of Texas. According to that District, the offender has demonstrated remorse for his crime and has also been cooperative and compliant with his supervision terms and conditions. Specifically, he has completed approximately thirty-three months of his four-year supervision term without incident. He satisfied his \$100 Special Assessment and his \$500 fine on July 11, 2003. The offender also successfully completed outpatient drug aftercare on March 11, 2004. The offender is working and has remained crime free. *See the supporting-attached petition from the United States Probation Office, Southern District of Texas.*

Title 18 U.S.C. §§ 3564(c) and 3583(e)(1) permit the Court to terminate a term of probation in misdemeanor cases at any time and *terms of supervised release or probation in felony cases after the expiration of one year of supervision if satisfied that such action is warranted by the conduct of an offender and is in the interest of justice.* Taking into consideration the offender's satisfactory adjustment to supervision, our office respectfully requests that Your Honor review this matter for Early Termination.

If Your Honor concurs with same, please sign the enclosed forms and have your Deputy Clerk forward two certified copies to this office.

I am available to discuss this matter further at your convenience and can be reached at (973) 357-4183.

Respectfully submitted,

CHRISTOPHER MALONEY, Chief
U.S. Probation Officer
